Mounting Hole Diameter:

Between 0.365 inches and 0.385 inches

Mounting Hole Quantity:

4

End Application:

1730-01-446-2422

Frame Type:

Flat

Framewidth:

Between 15.600 inches and 15.660 inches

Frameheight:

Between 7.860 inches and 7.920 inches

Frame Mounting Holes:

Included

Product Name:

Grille, metal

Special Features:

Flat panel of hear exchanger has 3 openings, rectangular in shape, each 8.38" in length, top opening 1.13" in height, middle 1.25" in height, bottom .88" in height

Material:

Steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T231-f
