Overall Length:

30.250 inches

End Application:

2320-01-530-5693 mk31

Product Name:

Right angle flap bracket asm bracket, flap

Special Features:

Note: 1)assembly 1)slip 4 clips on bracket bar 2)spot weld end clip into position 2)finish - baked on primer 3)make sure that bracket bar has paint coverage under clips 4) astra indicates control dimension

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
