Overall Height:

45.3 millimeters

End Application:

Engine, diesel, qsb5.9-230

Product Name:

Support, engine rear

Special Features:

Structure code b, appl marine, mounting center 571.5 mm, 1.750 in above crank centerline

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512r0
