End Application:

2320-01-549-8565

Mounting Method:

Mounting slots

Mounting Position:

Top

Product Name:

Overhead panel, roadside

Material:

Aluminum

Material Specification:

Astm b209 grade 6061 t6 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A526j0
