Overall Length:

37.500 inches

Overall Width:

3.000 inches

Product Name:

Channel, clamp, air conditioner

Special Features:

End item used on: 2320-01-530-3843 truck, cargo

Material:

Aluminum alloy

Material Specification:

Astm 8308. Grade 6061-tg assn standard single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507r0
