End Application:

2355-01-539-3639; lav 25a2

Product Name:

Alb000

Special Features:

Material: 3003-h14, .125 thick; surface treatment: treat and paint iaw mil-t-704 type g; color to be seafoam green iaw federal standard 595 colour chip number 24533

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507r0
