**End Application:**

2355-01-539-3639; lav 25a2

**Product Name:**

Alb000

**Special Features:**

Material: 3003-h14, .125 thick; surface treatment: treat and paint iaw mil-t-704 type g; color to be seafoam green iaw federal standard 595 colour chip number 24533

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A507r0
