End Application:

Iss and iss ambulance mrap vehicle

Product Name:

Lwb shock absorber

Special Features:

Material: steel; finish: carc exterior, lusterless tan 686a; length: 423 comp at m/m +3.0 -5.0, 656 extd at m/m +3.0 -3.0, stroke 233; torque 220 nm +/- 10 nm, installation on axle module

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07200
