**Operation Method:**

Hydraulic

**Product Name:**

Lwb shock absorber

**Extended Length:**

656.0 millimeters

**Compressed Length:**

423.0 millimeters

**Special Features:**

Two six degree drain holes top of dust shield; shock carc painted outside of suspension assembly; finish: carc, exterior, lusterless tan 686a

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07200
