Operation Method:

Hydraulic

Product Name:

Lwb shock absorber

Extended Length:

656.0 millimeters

Compressed Length:

423.0 millimeters

Special Features:

Two six degree drain holes top of dust shield; shock carc painted outside of suspension assembly; finish: carc, exterior, lusterless tan 686a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07200
