Overall Length:

3.53 inches

Overall Width:

3.39 inches

End Application:

2320-01-544-9638, truck utility

Mounting Method:

Unthreaded mounting holes

Mounting Position:

Body top

Product Name:

Close, roof lh

Special Features:

Thickness 0.032 inches .

Material:

Aluminum alloy

Material Specification:

6061-t6 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A526j0
