Width:

3.60 inches

Thickness:

0.380 inches

Length:

5.96 inches

Mounting Hole Diameter:

0.17 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

End Application:

2430-01-581-8572, modernized m9 ace

Mounting Configuration:

Slotted

Product Name:

Clamp plate transmission filter

Color:

Green

Material:

Steel

Surface Treatment:

Paint

Shape:

Rectangular

Surface Treatment Specification:

Mil-p-52192, polyurethane green, color no 383. Military specification all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-p-52192 spec.
