Overall Length:

41.92 inches

Overall Height:

35.12 inches

Overall Width:

39.41 inches

End Application:

2320-01-493-3790, truck cargo

Mounting Method:

Bolt

Mounting Position:

Back left side

Product Name:

Fender, rear lh

Vehicle Design Control Activity:

45152

Vehicle Identification Designator:

Chemit h61

Special Features:

Weight: 27.4 lbs, color: 383 carc green, thickness: 1 inch.

Material:

Steel

Material Specification:

97-ns was 1020 hs assn standard single material response

Surface Treatment:

Paint

Style Designator:

Straight section

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A509u0
