Overall Length:

62.34 inches

Overall Width:

1.5 inches

End Application:

2355-01-559-0791 and 2355-01-549-5271, mine resistance vehicle.

Product Name:

Tubing, rect 3.0x1.5x0.19x62.34 long al.

Vehicle Design Control Activity:

19207

Vehicle Identification Designator:

Mine resistant vehicle

Special Features:

Height: 3.0 inches, mounting holes: 4 each 0.630 inches diameter thru, 2 each mounting holes: 0.787 inches diameter thru.

Material:

Aluminum alloy

Material Specification:

6061-t6 assn standard all material responses or t651 iaw astm b221 or b221 1m assn standard all material responses

Surface Treatment:

Paint

Surface Treatment Specification:

Fed-std-595, tan 686 (33446) federal standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507s0
