Width:

1.38 inches

Thickness:

0.50 inches

Length:

2.25 inches

Mounting Hole Diameter:

0.579 inches all holes

Mounting Hole Quantity:

1

Mounting Hole Type:

Unthreaded

End Application:

2355-01-559-0791 and 2355-01-549-5271, mine resistant vehicle

Product Name:

Washer plate

Color:

Tan

Surface Treatment:

Paint polyurethane

Shape:

Rectangular

Surface Treatment Specification:

Milfed-std-595 assn standard 2nd treatment response and mil-dtl-53039 type ii assn standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
