Overall Length:

12.95 inches

Overall Width:

5.0 inches

Product Name:

Weldment, left

Special Features:

Material thickness: 0.125 inches, 4 each studs: dta 178358-0, height: 8.03 inches.

Material:

Aluminum alloy

Material Specification:

5052-h323, iaw astm-b209 assn standard all material responses

Surface Treatment:

Paint

Surface Treatment Specification:

Brown 30145 iaw fed-std-595 federal standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507s0
