Overall Length:

31.06 inches

Overall Width:

25.75 inches

Thickness:

1.00 inches

End Application:

2350-01-369-6082, carrier, 120 millimeter mortar

Product Name:

Floor plate

Special Features:

Weight: 11.01 lbs, mounting holes: 2 each 0.258 inches diameter, 4 each 1.75 inches diameter, 1 each 2.00 inches diameter.

Material:

Aluminum

Material Specification:

Tread plate, 6061-t6 or t62, specification astm b632/b632 m assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A557f0
