Overall Length:

66.6 inches

Overall Width:

40.4 inches

Thickness:

0.77 inches

End Application:

5410-01-592-9463, chem biological pro

Product Name:

Floor, cargo cage

Special Features:

Mounting holes: 22 each, 0.50 inches diameter thru.

Material:

Aluminum

Surface Treatment Specification:

law 17-3-3208 assn standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A557f0
