End Application:

F15 se

Operation Method:

Hydraulic

Piston End Connection Style:

Bushing and sleeve

Product Name:

Shock absorber

Extended Length:

12.75 inches

Compressed Length:

8.625 inches

Special Features:

Travel length: 4.125 inches, upper and lower mounting code: loop bushing mount- 5/8" bushing id x 1 5/16" bushing oal.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07200
