**End Application:**

F15 se

**Operation Method:**

Hydraulic

**Piston End Connection Style:**

Bushing and sleeve

**Product Name:**

Shock absorber

**Extended Length:**

12.75 inches

**Compressed Length:**

8.625 inches

**Special Features:**

Travel length: 4.125 inches, upper and lower mounting code: loop bushing mount- 5/8" bushing id x 1 5/16" bushing oal.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07200
