Width:

7.000 inches

Thickness:

0.125 inches

Length:

19.000 inches

Next Higher Assembly Identification Designator:

09024b5136

End Application:

5895-01-592-8791 communication system

Component Document Origin:

Government

Document Type:

Design control drawing

Product Name:

Plate, front

Material:

Aluminum alloy 6061

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
