End Application:

Shipboard material handling equipment (mhe); scraper, elev non-sectionalized, 613bsns

Component Quantity:

17

Component Document Origin:

Industrial

Document Source:

76260

Document Type:

Technical manual

Component Document Page Number:

45

Document Identification:

J-7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
