Cross Sectional Shape:

Plain rectangular, straight face

Joint Style:

Vertical joint

End Application:

1520-01-082-0686

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A08400
