Design Type:

Planetary gear w/integral torque converter-transfer transmission

Features Provided:

W/manually actuated forward speed lockout device and integral oil cooler

Special Features:

Consist of integral filter; mechanical shift control valve; transmission pressure switch; mechanical reverse warning switch; neutral start switch; sump drain on the converter end of case; adapter in the temperature sensor port; port for magnetic speedometer pick up

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
