Spline Major Diameter:

1.380 inches

Spline Quantity:

15

End Application:

2320-01-346-9317

Spline Type:

External

End Component Type And Location:

Shaft one end and yoke w/spider opposite end

Yoke Type:

Open

Features Provided:

Center bearing

Nominallength:

26.780 inches

Special Features:

Finish black per mil-c-53072

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A522a0
