Overall Length:

12.750 inches

Overall Width:

9.625 inches

End Application:

Strategic sealift conversion ship class

Voltage In Volts And Current Type:

24.0 dc

Special Features:

Next higher assembly manual release

Color:

Red

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
