Mounting Hole Diameter:

Between 0.174 inches and 0.182 inches

Mounting Hole Quantity:

6

Overall Diameter:

2.560 inches

Overall Thickness:

Between 0.121 inches and 0.129 inches

End Application:

W/slight armor vehicle air defense

Special Features:

Next higher assembly light armor vehicle

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52510
