**End Application:**

TRAC-TO-R,W-HEEL

**Specific Use:**

For shift control on automatic transmission

**Product Name:**

Boot assembly

**Vehicle Design Control Activity:**

44185

**Vehicle Identification Designator:**

140dgov

**Special Features:**

Incl boot, gate plate, and hardware; boot material-rubber epdm; gate plate material-high strength nylon 901; black u v stabilized

**Material:**

Rubber and plastic polyamide

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A519x0
