End Application:

2420-66-148-7692, hmee (high mobility engineer excavator)

Product Name:

Oil baffle

Special Features:

Transmission case group, 8 speed with speed sensor; clark model 269409 group.

Reference Data And Literature:

Clark-hurth components catalog, grp-2 rev. 3-93, pgs. 5, 6, 7.

Relationship To Similar Equipment:

Similar to oil baffle, p/n 247884-shaped differently.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
