End Application:

Truck, lift, aerial stores

Fork Height:

3.469 inches

Product Name:

End yoke

Special Features:

Material is carbon steel

Specification Data:

Mil-std-100a government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522j0

Mil-std (military Standard):

Mil-std-100 spec.
