Outside Diameter:

20.0 millimeters

Overall Length:

31.3 millimeters

End Application:

2355-01-560-2306, mine detector system, vehicle mounted

Connection Type:

Threaded

Body Material:

Steel

Product Name:

Breather, transfer case

Special Features:

External thread: m10x1, mass: 0.05 kg, width across flats: 17mm.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
