End Application:

2520-01-626-5061; transmission, hydraulic, vehicular

Product Name:

Plate, clutch, friction

Vehicle Design Control Activity:

19207

Vehicle Identification Designator:

M2a1, m2a2, m3a1 and m3a2

Heat Treatment:

Cold rolled

Material:

Steel and steel, carbon

Material Specification:

Astm a568 assn standard 1st material response or astm a682 assn standard 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
