**End Application:**

2520-01-626-5061; transmission, hydraulic, vehicular

**Product Name:**

Plate, clutch, friction

**Vehicle Design Control Activity:**

19207

**Vehicle Identification Designator:**

M2a1, m2a2, m3a1 and m3a2

**Heat Treatment:**

Cold rolled

**Material:**

Steel and steel, carbon

**Material Specification:**

Astm a568 assn standard 1st material response or astm a682 assn standard 1st material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
