End Application:

Larc v a1/a2 lighter, amphibious resupply, cargo, 5-ton

End Component Type And Location:

Yoke both ends

Nominallength:

105.41 inches

Special Features:

Next assembly part no. 1600905-1

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522a0
