**End Application:**

Larc v a1/a2 lighter, amphibious resupply, cargo, 5-ton

**End Component Type And Location:**

Yoke both ends

**Nominallength:**

105.41 inches

**Special Features:**

Next assembly part no. 1600905-1

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A522a0
