End Application:

Carrier 4000 standard version with caps

Component Quantity:

35

Document Type:

Industrial catalog

Component Document Page Number:

6

Document Identification:

873131154a

Product Name:

Differential and bevel gear assembly

Special Features:

Length and height 13.0x27.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
