End Application:

Liquid reservoirs

Connection Type:

Threaded

Body Material:

Steel or stainless steel

Product Name:

Filter-breather

Special Features:

Specific if stainless steel required, filter includes mounting hardware, gaskets and templates

Thread Size And Series/type Designator:

10-32x1/2 self tapping unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524y0
