Thread Direction:

Right-hand

Thread Length:

Between 0.625 inches and 0.750 inches

Overall Length:

7.625 inches

Body Diameter:

0.375 inches

Thread Size:

3/8-24

Metallic Hardness Rating:

Not rated

Screw Thread Series Designator:

Unf

Thread Location:

External

Construction:

Solid

End Connection Type:

Plain threaded

Rod End Lock Clamp:

Not included

Special Features:

Includes two hex nuts

Material:

Steel

Material:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T307-m
