Taper Length:

0.750 inches

Body Diameter:

1.320 inches

Taper Major Diameter:

0.750 inches

Stud End Thread Direction:

Right-hand second end

Metallic Hardness Rating:

Not rated

Adjustability:

Adjustable second end

Stud Thread Size:

5/8-18 first end

Construction:

Tubular

End Connection Type:

Ball stud second end

Distance From Ball Stud Centerline To Threaded End:

4.115 inches second end

Center To Center Distance Between Connecting Centers:

23.125 inches

Rod End Lock Clamp:

Not included

Stud End Thread Series Designator:

Unf second end

Stud End Thread Length:

0.925 inches second end

Material:

Steel

Material:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T307-m
