Thread Direction:

Right-hand second end

Metallic Hardness Rating:

Not rated

Adjustability:

Adjustable

Thread Location:

External

Construction:

Tubular

End Connection Type:

Plain threaded

Ball Stud Seat/threaded Plug:

Included

Center To Center Distance Between Connecting Centers:

19.750 inches

Material:

Steel

Material:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T307-m
