Thread Direction:

Right-hand second end

Thread Length:

2.750 inches second end

Overall Length:

Between 17.190 inches and 17.310 inches

Body Diameter:

1.000 inches

Thread Size:

13/16-18

Metallic Hardness Rating:

Not rated

Screw Thread Series Designator:

Uns

Thread Location:

Internal

Construction:

Tubular

End Connection Type:

Plain threaded

Rod End Lock Clamp:

Not included

Material:

Steel

Material:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T307-m
