Thread Direction:

Right-hand

Thread Length:

1.375 inches first end

Overall Length:

24.188 inches

Body Diameter:

0.750 inches

Thread Size:

3/4-16

Metallic Hardness Rating:

Not rated

Screw Thread Series Designator:

Unf

Thread Location:

External

Construction:

Solid

End Connection Type:

Plain threaded

Bend Quantity:

2

Rod End Lock Clamp:

Not included

Material:

Aluminum

Material:

Aluminum

Shape:

Bent

Fsc Application Data:

Trailer, engine cowling

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T307-m
