Thread Direction:

Right-hand

Thread Length:

Between 2.500 inches and 3.000 inches

Overall Length:

12.900 inches

Body Diameter:

1.000 inches

Thread Size:

13/16-16

Metallic Hardness Rating:

26.0 rockwell c and 30.0 rockwell c

Screw Thread Series Designator:

Unf

Thread Location:

Internal

Construction:

Tubular

End Connection Type:

Plain threaded

Rod End Lock Clamp:

Not included

Material:

Steel

Material:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T307-m
