Metallic Hardness Rating:

Not rated

Construction:

Solid

End Connection Type:

Plain threaded

Bend Quantity:

2

Center To Center Distance Between Connecting Centers:

18.140 inches

Special Features:

International harvester models f2554, f2624, 2574 trucks

Material:

Steel

Material:

Steel

Shape:

Bent

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T307-m
