**Stud End Thread Direction:**

Right-hand

**End Application:**

Used on international harvester v8 45 gasoline engines except hv404 and 446 engine loadstar v610 through 1810 truck

**Stud Thread Size:**

0.625-18

**Construction:**

Solid

**End Connection Type:**

Ball stud

**Center To Center Distance Between Connecting Centers:**

14.440 inches

**Stud End Thread Series Designator:**

Unf

**Shape:**

Bent

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T307-m
