End Application:

1710-01-223-2235

Bore Type:

Straight

Mounting Position:

Left

Design Characteristics:

Single acting single cylinder

First Piston Rod End Style:

Fork type (clevis) all working ends

Piston Rod End Similarity:

Identical

Bleeding Feature Quantity:

1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
