	<b>-</b>
Mounting	Provision:

Threaded mounting holes and threaded mounting studs

**Design Characteristics:** 

Single acting single cylinder

First Piston Rod End Style:

External threaded

**Mounting Type And Location:** 

Ball socket both ends

**Port Location And Quantity:** 

2 center section

Shelf Life:

O..... L..

N/a

**Unit Of Measure:** 

--

**Demilitarization:** 

No

Fiig:

A34200
