End Application:

2320-01-353-9098

Unpackaged Unit Weight:

43.000 pounds

Product Name:

Arm assembly, control, v-rod, rear

Special Features:

Distance from center hole to center hole on control rod is 679.5 + or - 2.5 millimeters.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
