**Body Material:**

Steel, corrosion resisting

**Mounting Provision:**

Unthreaded mounting holes

**End Application:**

Tractor, ji case, model agi

**Mounting Type And Location:**

Flat cylinder base

**Bleeding Feature Quantity:**

2

**Special Features:**

Farm type tractor for mowing

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
