Flexible Conduit Material:

Steel

End Application:

105mm, m119a1 howitzer

Core Processed End Connection Type:

Nonadjustable connector

Product Name:

Drawing item name: cable, brake

Cable Location:

Left side rear and right side rear

Make/model/year:

M119a1 howitzer

Conduit Length:

28.000 inches

Special Features:

This item consist of: eye x nonadjustable connecto (qty.2) x adjustable threaded adapter // nha: 12593042 & 12593043

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A501n0
